The following is a KSCO commentary. Here is Kay Zwerling:

Because our listenership has grown enormously since KGO several months ago disintegrated, and so many of their listeners happily are ours, I shall be reading more Commentaries from my book.

Here is one I wrote in the Fall of 2009, and I submit these same perks are probably still available. It is called "This is an insult." Read all of this and weep, folks. This is what our elected officials have done to you and me. A great thank you to all of us.

From an Emergency Room doctor – he says "I live and work in a border state overrun with illegals. They make more money having kids than we earn working fulltime. Today I had a 25-year-old with eight kids. That is right. Eight. All illegal anchor babies, and she had the nicest nails, cellphone, handbag, clothing, etc. She makes about $1500 monthly for each. Do the math."

I used to say "We are the dumbest nation on earth." Now, I must say, and sadly admit, "You are the dumbest people on earth, and that includes me, for we elected the idiots foolishly who have passed the Bills that allow this." Sorry, we need a Revolution now! Vote them all out of office in the next election!

Get mad, and pass this on.

If an immigrant is over 65, and he or she can apply for SSI and Medicaid and get more than a woman on Social Security, who worked from 1944 til 2004, she is only getting $791 per month because she was born in 1924 and there is a Catch 22. It is interesting that the federal government provides a single refugee with a monthly allowance of $1,890. Each can also obtain an additional $580 in social assistance, for a total of $2,470 a month. This is for an

immigrant.

This compares to a single pensioner, who after contributing to the growth and development of America for 40-50 years, can only receive a monthly maximum of $1,012 in old age pension and Guaranteed Income Supplement. Maybe our pensioners should apply as refugees!

Consider sending this to all your American friends, so we can all be ticked off and maybe get the refugees to cut back to $1,012 and the pensioners up to $2,470. Then we can enjoy some of the money that we were forced to submit to the government over the last 40, 50, and 60 years.

Please forward this to every American to expose what our elected politicians have been doing over the past 14 years to the over-taxed American.
