Monologue

Nurse Joann Conaway fills in for Dr. Wallach.

Pearls of Wisdom

Bill Graff and Joann Conaway discuss a news story tying multi-vitamins with advanced prostate cancer in a recent study. Billy and Joanne also comment on a story out of Madrid Spain about a morphine addicted doctor. The anestheiologist gave 275 patients hepititus C when he used the same tainted needles he had also used on himself. (Nice Guy!)

Callers
